

Derek Adams, PharmD, MSS is a 2002 graduate of the University of Iowa College of Pharmacy. He joined the Iowa City VA Health Care System in 2014 as the Inpatient Pharmacy Supervisor. Since 2016 he has served as the Associate Chief of Pharmacy – Operations. In this capacity he is responsible for overseeing day to day operations in the inpatient and outpatient pharmacies, providing oversight and direction for pharmacy informatics, pharmacoconomics, and the antimicrobial stewardship program, and contributing to planning efforts in the pharmacy department. He is a member of the Pharmacy and Therapeutics Committee and co-chairs the Medication Safety Subcommittee. Prior to joining the Iowa City VA Health Care System, he was a clinical pharmacist in ambulatory care, long term care, outpatient, and inpatient at Great River Health Systems for 7 years, then a supervisor in inpatient pharmacy at Great River Medical Center for 5 years.

Bruce Alexander, B.Sc., PharmD, joined the ICVAHCS in July 1976 as a Clinical Pharmacist Specialist in Psychiatry and Assistant Professor (Clinical) in the College of Pharmacy and the Department of Psychiatry, College of Medicine, The University of Iowa. He received his Bachelor of Science in Pharmacy in 1974 from Drake University and in 1976 his Doctor of Pharmacy degree from the University of Minnesota. His clinical work was in inpatient psychiatry with a consultative practice in outpatient mental health where he served as a preceptor for ambulatory care pharmacy residents and as a project collaborator. In the College of Pharmacy he taught senior pharmacy students on clerkship and coordinated as well as lectured in the neuropsychiatry therapeutic module for 3rd year pharmacy students. For the College of Medicine he lectured to medical students and psychiatry residents, co-coordinating a 9-month course on psychopharmacotherapeutics for the Department of Psychiatry. He taught mental health therapeutics in the College of Nursing for 10 years. He was promoted to Professor (Clinical) in 1997. He was selected as Teacher of the Year in both the Colleges of Pharmacy and Medicine. Dr. Alexander retired from teaching in 2005 but still serves as a mentor to pharmacy students. He was Board Certified in Psychiatry Pharmacy from 1998 to 2011. He is co-author of the Psychotropic Drug Handbook, which is currently in its 8th edition and has authored several book chapters along with many peer-reviewed articles. Dr. Alexander was the VHA pharmacist representative to the 2004 VA/Department of Defense Posttraumatic Stress Disorder Clinical Practice Guideline Committee, where he authored the section on pharmacologic management. He has served on the Board of Trustees for the Iowa Pharmacy Association (IPA) and is immediate past Chair of the Iowa Pharmacy Recovery Network, a member of the IPA Health System Liaison Board, and a member of the American College of Clinical Pharmacy. In 2007 Dr. Alexander was selected as Iowa Health Systems Pharmacist of the Year and in 2013 as the IPA Honorary President. He served 8 years on the Iowa Medicaid Drug Utilization Committee and was reappointed to his 7th term on the Iowa Medicaid Pharmacy and Therapeutic Committee in 2017. From August 2008 to November 2011 he was the VISN 23 Mental Health Pharmacoepidemiologist, where he developed therapeutic and economic projects for the service line. In December 2011 Dr. Alexander assumed the role of Associate Chief – Clinical for Pharmacy Service at the ICVAHCS. He retired from VA service on November 1, 2013. During his VA career, he served on the VA Pharmacy Benefits Management (PBM) National Drug File Committee, the National PTSD Mentoring Group, the PBM Antipsychotic Workgroup, the Office of Mental Health Services Psychopharmacology Advisory Committee, and the Advisory Board for the Mental Health Academic Detailing Initiative in VISN 21 and 22. He is now a Contract Data Manager for the National VA Office of Rural Health and the Comprehensive Access & Delivery Research & Evaluation Research Programs located on the Iowa City campus. His research interests include psychotropic pharmacokinetics and PTSD pharmacotherapeutics. He currently serves on the Resident Project Advisory Board.

Tami Argo, PharmD, MS, BCCP, joined the ICVAHCS as a Clinical Pharmacy Specialist in Psychiatry in 2008. Dr. Argo received her B.A. in Biological Sciences from Northwestern University. Upon receiving her PharmD. degree from the University of Iowa in 2002, Dr. Argo completed a 3-year clinical residency/research fellowship training program in Psychopharmacology under the direction of Dr. Paul Perry at the University of Iowa College of Pharmacy. In conjunction with her fellowship training, Dr. Argo completed an MS in Epidemiology

from the University of Iowa College of Public Health. Her clinical interests include PTSD/anxiety disorders and schizophrenia. Her research is pharmacoepidemiologic and clinical outcomes-focused and centers around the chiasm of psychiatric illness and medical comorbidity. Dr. Argo practiced for 9+ years in acute care mental health and since 2014 she has stewarded the development of our facility's ambulatory care mental health pharmacy services. She is involved in the College of Psychiatric and Neurological Pharmacists, a national psychiatric pharmacy association, where she has served on the membership committee, program committee, and resident and new practitioner committee. She also serves as Residency Program Director for the Psychiatric Pharmacy PGY-2 Residency Program at the ICVAHCS, a program which is multi-site with the University of Iowa Hospitals and Clinics. She has served as preceptor to pharmacy students in elective psychiatry and elective research APPE rotations as well as semester long independent studies. Programmatically she is involved in the facility's Suicide Prevention Committee where she also serves as co-chair for the Overdose Mitigation Subcommittee, she acts as the facility point of contact for Phase I of the Psychotropic Drug Safety Initiative, has been a member of the Pharmacy Residency Project Advisory Board, and continues to volunteer in a variety of lecturing roles as Adjunct Clinical Assistant Professor for the University of Iowa Carver College of Medicine, Department of Psychiatry.

Abby Beane, PharmD, BCACP, joined the ICVAHCS in July 2017 as a Clinical Pharmacy Specialist in Ambulatory Care. Abby's main areas of interest are anticoagulation and medication management. She received her PharmD from the University of Iowa College of Pharmacy in 2007 and went on to complete a PGY-1 Residency in Community Practice from the University of Iowa College of Pharmacy in 2008. Dr. Beane received her Board Certification in Ambulatory Care in the Fall of 2016. Prior to joining the ICVAHCS, Abby was a pharmacist at Hy-Vee starting as a Clinical Pharmacist after residency and then transitioning to Pharmacy Manager. Abby participated in the IPA Leadership Conference in 2018. Throughout her practice she has been a preceptor for pharmacy students and enjoys working with students and residents.

Lisa Benton, PharmD, is a 2004 graduate of the University of Iowa College of Pharmacy. She has been the Outpatient Pharmacy Supervisor at the Iowa City VA Health Care System since November of 2013. Her responsibilities include supervision of outpatient operational duties, inventory management, monitoring drug shortages, as well as collaborating with other disciplines. Lisa serves on several committees including Drug Shortage Committee, Pressure Ulcer-Wound Care Committee, Clinical Products Review Board, GEMS, as well as an ad hoc member for the Peer Review Committee and the Pharmacy & Therapeutics Committee. In addition, she is a preceptor and adjunct faculty for the University of Iowa and supervises IPPE1 and 2 students and APPE General Hospital rotation students. Prior to joining the VA, she worked for Walmart Pharmacy in roles including assistant manager and manager.

Brooke Burkhalter, PharmD, joined the ICVAHCS in July 2017 as a Clinical Pharmacist in the Outpatient Pharmacy. In April 2018, she transferred to a clinical specialist position in Ambulatory Care; focusing on anticoagulation and medication management. She received her PharmD. from the University of Iowa College of Pharmacy in 2005. Prior to joining the ICVAHCS, Brooke was a pharmacist at Hy-Vee Pharmacy in Washington, Iowa (2005-2008) and Iowa City Hy-Vee Market (2008-2017). During her time with Hy-Vee she focused her care in medication therapy management programs, such as Outcomes, Mirixa, and EQUIPP. She also played an active role in immunization administration and biometric screenings. During her time at Hy-Vee she served as a preceptor for pharmacy students and interns.

Matthew Cantrell PharmD, BCPS Dr. Matthew Cantrell is an Associate Professor in the Department of Pharmacy Practice and Science at the University of Iowa College of Pharmacy and a Clinical Pharmacy Specialist at the Iowa City VA Health Care System. He graduated from Mount Mercy College in 2000 and received his Doctorate in Pharmacy from the University of Iowa in 2005. He completed a Primary Care Pharmacy Practice Residency at the Iowa City VA in 2006. His primary clinical responsibilities include anticoagulation, medication management and primary care. Dr. Cantrell is active in many state and national organizations and is a former Chair

of the American College of Clinical Pharmacy Geriatric Practice and Research Network (PRN). He has collaborated with students, residents, and professional colleagues on original research, chapters, and review articles. He has been board certified in Pharmacotherapy since 2008. Dr. Cantrell has received awards related to teaching and is a former recipient of the Distinguished Young Pharmacist Award sponsored by the Iowa Pharmacy Association and Pharmacists' Mutual Insurance Company.

Yvonne De Sloover Koch, PharmD., BCACP is an Ambulatory Care Clinical Pharmacy Specialist at the Iowa City VA Medical Center and Adjunct Professor (Clinical) at the University of Iowa College of Pharmacy. She graduated from the University of Iowa College of Pharmacy in 2000 and then completed a Primary Care Specialty Residency in the Department of Family Medicine at the University of Iowa Hospitals and Clinics. Dr. De Sloover Koch is currently the coordinator for the Medication Management Clinic and her primary area of practice is in Pain Management. She was the 2016 recipient of the Excellence in Interprofessional Education & Practice Award from the University of Iowa Hospitals and Clinics Graduate Medical Education Office.

Kristi Dimke, MS PharmD MPH is a 2011 graduate of the University of Iowa College of Pharmacy. She completed a PGY-1 residency at the Iowa City VA Health Care System and stayed on as an Inpatient Clinical Pharmacist before becoming the Inpatient Pharmacy Supervisor in July 2016. Her responsibilities include supervising inpatient operations, ensuring regulatory compliance, monitoring drug shortages, collaborating with other disciplines to create/update policies and procedures, serving on committees and precepting students. She contributes clinically as a member of the Nutrition Support Team. Prior to her pharmacy career she taught Biochemistry/Nutrition, Human Biology and other courses at a community college. She maintains an active interest in clinical nutrition, mental health, and public health.

Jason A. Egge, PharmD., M.S., BCPS joined the Iowa City VA in January 2006 as a clinical pharmacy specialist. He graduated from the University of Iowa in 2002 then completed a specialty practice residency in ambulatory care at the Iowa City VA the following year. He practiced as a clinical specialist in internal medicine/nephrology at the Mayo Clinic in Rochester, Minnesota from 2003 to 2006 before rejoining the VA as a clinical pharmacy specialist. Dr. Egge completed an MS in epidemiology through the University of Iowa College of Public Health the Spring of 2009. He is currently the coordinator for pharmacoconomics and education. His interests include pharmacoconomics, formulary management, medication use evaluation and database management.

Danielle Harris, PharmD, joined the ICVAHCS as an Ambulatory Care Clinical Pharmacy Specialist in 2017. She graduated from the University of Iowa in 2010 with her B.S. in Microbiology, then continued on to receive her PharmD from the University of Iowa College of Pharmacy in 2014. Afterwards she completed a PGY1 Community Pharmacy Practice Residency with UNC/Walgreens in Chapel Hill, NC and later accepted a position as the UNC/Walgreens Residency Site Coordinator in Asheville, NC (2015-2017). While there she was the recipient of the programs UNC Outstanding Residency Preceptor Award (2015-2016). Dr. Harris's interests include precepting, patient care, anticoagulation and medication management. She also continues to be involved with the local APhA-ASP chapter, Kappa Psi - Iowa Graduate Chapter and Johnson County Pharmacist Association as treasurer.

Brett Heintz, PharmD., BCPS-ID, AAHIVE received his doctorate in pharmacy from the University of California, San Francisco and completed his residencies in pharmacy practice and infectious diseases at the University of California, Davis Medical Center in Sacramento, CA. He also is a board-certified pharmacotherapy specialist with added qualifications in infectious diseases and American Academy of HIV expert certified. Dr. Heintz, a Pharmacy Specialist in Infectious Diseases / Medicine, joined the Iowa City VA Health Care System (ICVAHCS) in September 2012. Dr. Heintz also directs the antimicrobial stewardship program at the ICVAHCS. He holds an academic position as Adjunct Clinical Associate Professor at the University of Iowa

College of Pharmacy and precepts pharmacy students, delivers didactic lectures and coordinates a pharmacotherapy course. Prior to joining the Iowa City VA and the University of Iowa he served as an Assistant Professor of Clinical Pharmacy at UC San Francisco School of Pharmacy with a clinical practice in Infectious Diseases and Internal Medicine at UC Davis Medical Center. Dr. Heintz's primary research and clinical interests include antimicrobial dosing in special populations, including renal failure, dialysis, hepatic failure and obesity; determination of predictors of antimicrobial resistance, toxicity and treatment failure of antistaphylococcal and antipseudomonal agents; and management of outpatient delivery of antimicrobial therapy. Dr. Heintz has authored several articles and book chapters related to antimicrobial therapy and presented numerous presentations and posters at local, state and national level meetings. He is also the recipient of several teaching awards.

Shannon J. Heintz, PharmD., BCPS received her doctorate in pharmacy from the University of Iowa College of Pharmacy. She completed a pharmacy practice residency at the University of California, San Diego Medical Center, a critical care specialty residency at the University of California, Davis Health System, and a pharmacoepidemiology research fellowship at California Department of Public Health and Touro University College of Pharmacy. Dr. Heintz, a Pharmacy Specialist in Critical Care / Surgery / Transplant, joined the Iowa City VA Health Care System in September 2012. She also serves as an Adjunct Clinical Assistant Professor at the University of Iowa College of Pharmacy. Prior to joining the Iowa City VA and the University of Iowa she served as a critical care pharmacy specialist at the University of California, Davis Medical Center and Assistant Clinical Professor at the University of California, San Francisco College of Pharmacy.

Amy Hetrick, PharmD. is a 2001 graduate of the University of Iowa College of Pharmacy. She has been the Associate Chief of Pharmacy –Specialists Operations at the Iowa City VA Health Care System since January of 2014. Prior to her promotion, she was the Inpatient Pharmacy Supervisor for 2 years and has practiced as a Clinical Inpatient Pharmacist at the Iowa City VA, starting in 2006. Her responsibilities include the coordination of clinical activities of pharmacists specializing in Ambulatory Care, PACT, Mental Health and other specialty clinics. Amy serves on several committees such as P&T committee, Local and VISN Clinical Pharmacy Practice Councils, PACT steering committee, Professional Standards Board, and task forces as assigned. In addition, she is a preceptor and Adjunct Faculty for the University of Iowa and supervises APPE Ambulatory Care rotation students. Prior to joining the Iowa City VAHCS, she worked at both Walgreens and Hy-Vee.

Laurel Janney, PharmD Laurel Janney, Pharm.D. is a clinical pharmacy specialist in ambulatory care at the Iowa City VA Medical Center and an adjunct assistant professor at the University of Iowa College of Pharmacy. She has been adjunct faculty for the University of Iowa since 1990. She received her Bachelor of Science in 1986 and Doctor of Pharmacy in 1988 both from the University of Iowa. Dr. Janney has practiced in the ambulatory care setting at the Iowa City VA for the past 26 years. Her primary areas of interest include geriatric pharmacotherapy and diabetes. She is practicing as a PACT pharmacist for the Quincy and Decorah CBOCs. Prior to her joining the VA Medical Center, she was a consultant pharmacist for Covenant Long Term Care Pharmacy in Waterloo, Iowa. She is a member of the American College of Clinical Pharmacy, Iowa Pharmacist Association and American Society of Consultant Pharmacists.

Shella Johnson, PharmD., BCGP came to the Iowa City VA Health Care System as a Clinical Pharmacy Specialist in 2003. She graduated from the University of Iowa College of Pharmacy in 2002 and completed the Primary Care Specialty residency within the University of Iowa Department of Family Medicine in 2003. She joined the VA Geriatric Scholar Program and earned her BCGP in 2013. Dr. Johnson is currently the consultant pharmacist for the ICVA Home-Based Primary Care and Geriatrics Teams.

Sean Kubik, PharmD., BCACP is the Clinical Pharmacy Specialist for the Patient Aligned Care Team (PACT) and Home-Based Primary Care team for the Ottumwa VA Clinic. Sean Graduated

from the University of Iowa College of Pharmacy in 2013. He then went on to complete a PGY-1 Residency focused in ambulatory care at the Lincoln, Nebraska VA. After residency, he accepted a position at the Lincoln VA as a (PACT) pharmacist for two years. Sean transferred to the Iowa City VA in July of 2016. His areas of interest are diabetes, hypertension, and medication management.

Jon Linder, PharmD. is a Clinical Pharmacy Specialist in Ambulatory Care at the Iowa City VA Health Care System. Jon graduated from the University of Iowa College of Pharmacy in 2016 after having studied journalism and medical sciences throughout undergraduate studies (also at the University of Iowa). He also worked as a student research assistant at University of Iowa Hospitals & Clinics in the Department of Psychiatry before pursuing a career in pharmacy (focusing primarily in bipolar disorder and heart rate variability). Jon graduated from the PGY-1 Pharmacy Practice Residency at the Iowa City VA Health Care System in June 2017 before transitioning to his current VA staff position. His areas of interest are anticoagulation, virology, cardiology, and primary care; and he is passionate about interacting with veterans to improve care through building trust.

Brian C. Lund, PharmD, MS has been a Core Investigator with ICVAHCS' health services research division, the Center for Comprehensive Access & Delivery Research & Evaluation (CADRE), since 2009. He received a Doctor of Pharmacy in 1998 and a Master of Science in Epidemiology in 2002 from the University of Iowa. His training also encompassed a clinical residency in psychiatric pharmacy in 1999, a fellowship in clinical psychopharmacology in 2001, and a post-doctoral scholar position in pharmacoepidemiology and health outcomes research in 2002. Dr. Lund's research focuses on pharmacoepidemiology and drug safety, with an emphasis on mental health and older adult populations. He currently serves on the Pharmacy Resident Project Advisory Board (PAB), which oversees resident research projects, and is actively involved as a team member in many of the individual residency projects, which includes providing assistance with design, conduct, analysis, and reporting.

Kaitlin McArdle, PharmD, BCPS, BCPP joined the ICVAHCS as a Clinical Pharmacy Specialist in mental health in April 2018. Dr. McArdle graduated from Drake University with her PharmD in 2014. Upon graduation, she completed her PGY-1 residency at the Edward Hines, Jr. VA Hospital in Illinois, where she then completed her PGY-2 residency specializing in mental health. Prior to joining the Iowa City VAMC, she served as the only mental health CPS at the Hines VA. Her clinical interests include substance abuse and psychotic disorders.

Billie Jo Myers, PharmD is a 2003 graduate of the University of Iowa College of Pharmacy. She joined the Iowa City VA in 2008, working in the Outpatient Pharmacy. During her outpatient career, she served on several committees including: Take back workgroup, Controlled Substance Crew, and the Opioid Sentinel Group. She is the pharmacy representative for the Disruptive Behavior Committee and is also an instructor for the Iowa City HCS MOVE program (weight loss program). She joined the Clinical Pharmacy Specialist group in July, 2018. Her primary focus is in anticoagulation and medication management. Prior to joining the ICVAHCS, Dr. Myers worked at several Hy-Vee pharmacies in the Iowa City and Coralville area. She has been working with pharmacy students throughout her career and enjoys working as a preceptor for students and residents.

Macklin (Mack) O'Brien, PharmD, BCPS graduated from the University of Iowa College of Pharmacy in 2012. After graduation he moved to the Pacific Northwest where he completed a PGY1 residency at PeaceHealth Southwest Washington Medical Center in Vancouver, Washington. After residency he practiced on the inpatient surgery floors at Oregon's only academic medical center, Oregon Health and Science University (OHSU), in Portland. Mack's surgery practice included care for patients on the bariatric, emergency, general, neuro and trauma surgery floors. He was part of a pilot transitions of care program for surgery patients discharging from the hospital; now permanently integrated into the continuum of care across the hospital. OHSU was

the hub of bariatric surgery in Oregon and Mack was integral to the optimization of pharmaceutical care for bariatric surgery patients throughout their hospital stay and at time of discharge. While at OHSU Mack was a clinical adjunct professor with Oregon State University and precepted pharmacy students on rotation. Mack became a Board Certified Pharmacotherapy Specialist in 2015. Mack moved back to his Iowa roots in 2017 when he accepted a position working in primary care and telemedicine at the Iowa City VA Healthcare Center. He provides disease state management remotely for the Sterling, Illinois Community Based Outpatient Clinic (CBOC) and several days per week in Iowa City for the primary care Red Team veteran's and providers. Mack is proud to be reconnected with his alma mater as an adjunct professor for the University of Iowa College of Pharmacy. He also enjoys mentoring pharmacy students through the College of Pharmacy's 1885 Society mentorship program. Mack's mission in pharmacy is veteran-centric care that meshes patient preferences and ideas with pharmaceutical care and safety .

Meaghan Rogers, PharmD, BCPS is a Clinical Pharmacy Specialist in Ambulatory Care at the Iowa City VAHCS. Dr. Rogers received a Bachelor of Science from the University of Wisconsin Superior in 2000, then went on to conduct genetic research at the University of Minnesota Duluth until 2003. She graduated with her PharmD from the University of Iowa College of Pharmacy in 2007 and completed the PGY1 Pharmacy Practice Residency at the Iowa City VAHCS in 2008. She worked in clinical research focusing on physician/pharmacist collaboration at the University of Iowa College of Pharmacy and Iowa City VAHCS until 2010 when she returned to the Iowa City VA Pharmacy as part of the Medication Reconciliation Core. She transitioned into the Clinical Specialist group in 2015. Her clinical interests include Transgender care, Medication Management, Anticoagulation and Primary Care. Dr. Rogers is actively involved in the Johnson County Pharmacy Association, having served as past president and currently as trustee.

Abby Tague, PharmD., CACP joined the Iowa City Veterans Affairs Medical Center in July 2009. She graduated from the University of Iowa College of Pharmacy in 2003 and completed a Primary Care Specialty Residency at the William S. Middleton VA Hospital in Madison, WI. She currently serves as the Iowa City VAMC Anticoagulation Clinic Co-Coordinator. Prior to joining the Iowa City VAMC, she worked for the University of Wisconsin Hospital and Clinics as the Clinical Coordinator of the Anticoagulation Clinic.

Marshall Tague, PharmD., BCOP joined the Iowa City Veteran Affairs Medical Center in July 2009. He is a 2003 graduate of the University of Iowa College of Pharmacy. Upon graduation he completed a Pharmacy Practice Residency at the University of Wisconsin Hospital and Clinics in Madison, Wisconsin from 2003 to 2004. He then went on to complete an Oncology Specialty Residency at H. Lee Moffitt Cancer Center in Tampa, Florida from 2004 to 2005. Prior to joining the Iowa City VAMC he worked at the University of Wisconsin Hospital Clinics providing services to inpatient Hematology, Bone Marrow Transplant, Medical Oncology, and Palliative Care services. He is currently the Clinical Pharmacy Specialist in Oncology at the Iowa City VAMC.

Traviss Tubbs, PharmD. is the Chief of Pharmacy Services for the Iowa City Veterans Affairs Health Care System (ICVAHCS) and also hold the titles of Assistant Dean of Veterans Affairs and Assistant Professor (Clinical) at the University of Iowa College of Pharmacy. He graduated from the University of Iowa College of Pharmacy in 2001. After graduation Dr. Tubbs worked for Wal-Mart Pharmacy in roles including Pharmacy Manager, Pharmacy District Manager and Corporate Recruiter for Pharmacy and Optometry. Traviss then took a position as a Clinical Pharmacist in the Ambulatory Care Pharmacy Department at the UIHC. He joined the Iowa City VA Health Care System in October of 2009 as the Pharmacy Supervisor for Outpatient Services. Dr. Tubbs was later promoted to Associate Chief of Operation Compliance and Supply Management and subsequently to the Chief position. As Chief of Pharmacy, Traviss is ultimately responsible for all pharmacy related operations, contracting, budgeting, compliance, outcomes, inventory management and clinical practice. Dr. Tubbs is also involved in policy management and development for the ICVAHCS. He serves on the Residency Advisory Board, Pharmacy and Therapeutics Committee, Clinical Executive Board, Quality Safety Value Committee, Space Committee, Opioid Review Board, Pain Committee, Affiliation Partnership Council and Peer

Review Committee for the ICVAHCS. At the VISN level, Dr. Tubbs serves on the VISN 23 Pharmacy Advisory Board, VISN 23 Pharmacy and Therapeutics Committee, the VSN23 Pain Committee, and is the chair of the VISN 23 Pharmacy Professional Standards Board. At the national level, Traviss has previously worked with the Medication Reconciliation Documentation Workgroup, the Pharmacy Recruitment and Retention Advisory Board and a workgroup tasked with reviewing and recommending changes to the national directive on controlled substance inspections. In his work with the College of Pharmacy, Dr. Tubbs serves on the Dean's Executive Committee, lectures in the Leadership and Professional Development Electives and mentors pharmacy students through the College of Pharmacy's 1885 Society mentorship program.

Nancee Waterbury, PharmD, BCACP has been a Clinical Pharmacy Specialist at the Iowa City VA since 2001. She graduated from the University of Iowa College of Pharmacy in 2000 and completed the specialized practice residency in Ambulatory Care at the Iowa City VA in June 2001. Dr. Waterbury is currently the PGY 1 Pharmacy Practice Residency Program Director. Her primary areas of clinic involvement include diabetes, Hepatitis C and virology. She is an active member of the Johnson County Pharmacy Association serving terms as vice president, president, and past president. She is also active in the Iowa Pharmacy Association participating in the Leadership Pharmacy Conference, receiving Young Pharmacist of the Year award, completing a two year term on the Board of Trustees in 2012 and serving on a variety of committees. Dr. Waterbury is an adjunct assistant professor for the University of Iowa College of Pharmacy. She lectures several times a year and helps precept students.

Luke Watson, PharmD, BCPP joined the ICVAHCS as a Clinical Pharmacy Specialist in Psychiatry in 2016. Dr. Watson received his B.S. in Chemistry from the Truman State University in 2010. Dr. Watson received his PharmD. degree from the University of Iowa in 2014. He completed his PGY-1 residency training at Northwestern Memorial Hospital in Chicago, IL. He then completed his PGY-2 residency training in psychiatric pharmacy residency at the ICVAHCS and the University of Iowa Hospitals and Clinics. Dr. Watson's clinical interests include psychiatric and neurological pharmacy.

Jennifer Wick, Pharm D, BCPS joined the Iowa City VA Medical Center in 2002 as an Outpatient Staff Pharmacist. In 2009, she moved to her current position at the Cedar Rapids CBOC as a Clinical PACT Pharmacist. She received her Doctorate in Pharmacy from the University of Iowa College of Pharmacy in 2002 and received her BCPS in 2011. She has participated in the VA's LEAD Program in 2008-2009 as well as the Iowa Pharmacy Association's Leadership Pharmacy Conference in 2010. She is an Adjunct Assistant Professor for the University of Iowa College of Pharmacy and is a preceptor at the Cedar Rapids CBOC practice site for APPE and IPPE rotation students. She is currently a member of the University of Iowa College of Pharmacy Genesis Board. Her primary areas of interest include primary care in the areas of diabetes, hypertension, and lipid management.

Marcia Chace Zeithamel, B.S., PharmD, BCPS, BCGP is an Ambulatory Care Clinical Pharmacy Specialist at the Iowa City VA Medical Center and an Adjunct Assistant Professor at the University of Iowa College of Pharmacy. She received her Bachelor of Science in 1995 and Doctor of Pharmacy in 2005, both from the University of Kansas School of Pharmacy. She earned board certification in Pharmacotherapy in 2010 and board certification in Geriatric Pharmacy in 2017. She is a member of the American College of Clinical Pharmacy. Dr. Zeithamel practiced in the ambulatory care setting at the Iowa City VA since 2003 and joined the Clinical Pharmacy Specialist group in 2017. Her primary areas of interest and clinic involvement include Primary Care, Geriatric Pharmacy, Medication Management and Anticoagulation.

Christine L. Zeman, Pharm.D. is a PACT Clinical Pharmacist, located at the Coralville Primary Care Clinic. Christine earned her doctorate from the University of Iowa College of Pharmacy in 2000, and joined the ICVAHCS in 2002 as an outpatient staff pharmacist. During her career with the VA, Dr. Zeman has served as Outpatient Pharmacy Program Manager in 2007-2008 prior to transitioning to her current clinical role in 2009. As a PACT pharmacist, Dr. Zeman provides

pharmacy support and medication therapy management services to the Coralville Primary Care Clinic. She is an adjunct professor for the University of Iowa College of Pharmacy, precepting both pharmacy students and residents. She graduated from the VA's LEAD program in 2006 and attended the Iowa Pharmacy Association's Leadership Pharmacy Conference in 2012. Prior to her career with VA, Dr. Zeman managed DrugTown in Columbus Junction, IA, and provided pharmacy consultative services for the local nursing facility. Her primary area of interest is ambulatory/primary care.
